**Community College of Allegheny County (CCAC)
Allegheny Campus**

**Auditorium, Room S-260
Student Service Center Building
Parking Available in Mon Hill Lot & Student Lot #2**

Now is the time many junior and senior high school students are exploring options for continuing their education. As the Vice Chair for the Pennsylvania Higher Education Assistance Agency (PHEAA), I understand the importance of higher education and the challenges of affording a quality education. Please join me on January 26th as a PHEAA representative explains to students and their families what financial aid opportunities are available and which resources can assist in obtaining them.
